

## TERMS & CONDITIONS

- While dogs boarded at DOGGIDAYZ receive every care and attention, they are boarded entirely at the risk of the owner, and the management can accept NO liability. Should any dog fall ill while being boarded, the management reserve the right to call in a Veterinary Surgeon and act on their advice, unless alternative instructions have been provided in writing by the owner. Any expenses incurred are to be met by the owner of the dog. The Veterinary Practice we use is George Vets, High Street, Wootton Bassett. 01793 852458 or if stipulated we will use your vet – please specify your wishes on the Booking Form.
- In the interest of other boarders, no dog suffering from any infectious or contagious disease, or any dog which appears to be ill in any way, can be accepted as a boarder.
- No dog may be removed until the full amount due for board has been paid.
- Cancellations must be made by phone as soon as possible.
- Your dog must be up to date with their vaccinations and we must have a copy of the vaccination card before we take your dog into our home. We would also require the dates your dog last received worming and flea treatments.
- All boarders at DoggiDayz must undergo a familiarization session prior to boarding as they share accommodation. By signing this agreement you hereby give permission for your dog to share sleeping accommodation with other dogs.
- If your dog bites anyone or attacks another dog you will have to either collect the dog immediately or they will be kept separately from the other dogs until you can collect him/her.
- By signing this agreement you are hereby giving permission for your dog to be supplied with the 'house' food – unless you supply an alternative.
- Monday to Saturday our earliest drop off is 7.00am, latest collection is 7.00pm. We are closed between 2.30pm and 4.00pm for feeding. On Sundays we are open between 9.00am and 3.00pm.
- We do not accept entire males over the age of 10 months.
- If your dog is on medication, we are happy to administer this during their stay. Please provide full instructions on the form provided.
- You must complete a Booking Form and an Enrichment Programme Form prior to boarding your dog with us so we can carry out your wishes with regards your dogs care.
